Age: 39

Occupation: LDS Seminary Teacher at Stansbury High

Qualifications: I have had the privilege of serving on the Tooele City Council for the last 4 years. During this time I have also served on the Tooele County United Way Leadership Council, USU Tooele Advisory Board, Vice-Chairman of the Tooele Redevelopment Agency, Tooele Valley Homeless Coordinating Committee and as an advisor to the Tooele City Planning Commission. In the last 4 years we have preserved the east bench as open space. We have sought after and brought businesses that have helped in the redevelopment of Downtown. We have faced the challenge of a down economy by trimming the city's budget and we have not raised taxes like other cities have done. We have built 1000 North. I have worked diligently in helping to create the new USU regional campus so that we have greater access to higher education in Tooele. We have passed ordinances that have set standards for quality residential development. We have entered in to partnerships that will allow us to develop water resources to meet our growing needs. I ask for your support in the upcoming election. Together we are investing in our families and our community to create a better tomorrow.
