Qualifications:

I retired from the Tooele City Police Department after serving Tooele for 20 years. During that time I served as a patrol officer, detective and sergeant. I was a trained Hostage Negotiator, Youth Court Coordinator and in that capacity, worked with our sister city Kambarka, Russia, to start their Youth Court system. I was also a trained Crisis Intervention Team officer. During my 20 years with Tooele City, I have learned the innerworkings of not only the city government, but also the people it serves. I have been in their homes, listened to their issues and concerns and believe that I have the understanding and knowledge to serve them well as Mayor.
