CONDITIONS OF ISSUANCE

As a condition of the issuance of the permit, the applicant shall:

- (a) provide traffic control and obtain properly issued permits to ensure the safety of the public;**
- (b) maintain all pyrotechnics in secured enclosures;**
- (c) demolish all structures and remove all materials after completion of the filming;**
- (d) provide restroom facilities for personnel, which shall be removed when filming is completed;**
- (e) remediate any site disturbance and re-vegetate with plant materials indigenous to the area; and**
- (f) obtain inspection by the zoning administrator, the health department, the sheriff's office, and the building inspector for compliance with the permit and local laws, regulations, and ordinances.**

The permit shall be issued by the zoning administrator provided the applicant files an application with the appropriate fee, agrees in writing to the conditions, and posts a \$5,000.00 bond to ensure compliance with the permit's conditions. The amount of the bond may be adjusted by the zoning administrator for the particular request. The bond shall not be released until each site has been inspected and remediation work has returned the site back to its original condition.

I (We) as the applicant(s) for a professional filming conditional use permit, have read and do hereby agree to, and understand the above terms and conditions without reservation and place my/our signature below as a act of such agreement. It is further agreed and understood that should I (we) violate any of the above conditions, all operations shall be immediately suspended. This permit is issued specifically to the applicant for the land indicated in the application and is not transferable.
