

Benson Grist Mill  
325 State Road 138  
Stansbury Park, Ut 84074

October 31, 2012

To: Mark McKendrick  
Misti Williams

Subject: Lawn Mower Purchase

Mark and Misti,

This letter is to request the purchase of a new riding lawnmower for the Benson Grist Mill. Our current riding mower (Dixie Chopper 50") is approximately 8 years old and is becoming increasingly unreliable despite regular maintenance.

I have obtained 2 bids for a replacement:

United Sales and Service. \$ 8,622.30  
Skag Turf 52"  
27 H.P. Kohler Engine

Home Depot \$ 3,399.00  
Toro Time cutter SS 5060  
50" Smart speed  
V-Twin Zero-Turn  
23 HP Kawasaki Engine

---

The funds to pay for this purchase would be requested from the Tooele County Recreation Special Service District grant and/or from the Transient Room Tax Grant which the Benson Grist Mill received in 2012.

If this request is approved I would recommend purchase of the Toro from Home Depot based on product, price, and the fact that Home Depot is a Tooele County business.

Your consideration is appreciated.

Scott Degelbeck  
Benson Grist Mill/Maintenance Operator

## PRODUCT DESCRIPTION

Delivery within 7-10 days by a local Toro representative. At Delivery the customer will be taught by Toro how to operate and maintain the mower. Cut your mowing time in half with the zero turn mower that is as rugged and tough as it is agile and smooth. Toro's TimeCutter SS offers 25 years of professional "Z" engineering, resulting in a mower that's easy to use, comfortable to ride and dependable to own. 50 in. Toro mowing system features a 4 in. deep, top discharge deck design for an exceptional quality of cut and deck washout port for easy cleaning.

- Assembled dimension: 72.9 in. W x 41.5 in. D x 54.6 in. H
- Dual hydrostatic transmissions provide smooth variable control, zero-turning radius and years of dependable performance
- 50 in. deck is ideal for large, open spaces when power and speed are necessary to get the job done fast
- Zero turning radius delivers optimal maneuverability allowing you to easily mow around obstacles
- Smart Speed control system gives you speed when you want it, control where you need it, select high speed for maximum productivity when cutting open areas and low speed for smooth, controlled operation when trimming and mowing tight spaces or slight inclines
- Heavy-duty 10g. Steel frame for lasting durability
- Automatic parking brake for easy operation
- Ground speed of up to 7 mph forward, and 3 mph reverse, or 4 mph forward and 1.7 mph in reverse depending on your smart speed setting
- 18 in. extra-tall seat for a smooth, comfortable ride; contoured for better back support
- 3-year limited warranty
- Item usually ships within 7-10 business days
- Riding mower is delivered 100% assembled by a local dealer who will show you how to use the equipment
- 23 HP Kawasaki V-Twin four-cycle engine with full pressure lubrication and spin-on oil filter for easy maintenance
- [CLICK HERE](#) for printable Engine Warranty
- MFG Brand Name : Toro
- MFG Model # : 74632
- MFG Part # : 74632
- Number of Cylinders : Twin Cylinder
