To: Tooele County Fair Board

We would like to welcome you and/or your organization to go over the costs and benefits of becoming a host to one of our spectacular Bull Riding events!

There is also a long round of 20 stock Bronco rides, contracted by Wes Clegg/WSRRA, with the top five rides back for the short round. Any additional entries, above the amount of riders bid, would require an additional \$75.00 per a head added to the overall bid amount. Any and all additions would first be presented and approved by your committee. We also hold a clown act between the long and short rounds.

A one night performance cost \$9,275.00
